ABOUT COLLEGE

Sriram Engineering college (SREC) is a leading institution in Tamil Nadu of superior standard. It was established in 1993 at Perumalpattu village, near Veppampattu railway station, Thiruvallur district. The college is run by Sriram educational trust which was established in the year 1983. Sriram Engineering College is making strides in achieving Excellence in technical education in the past two Decades. The college has produced several University gold medalists and 82 University rank holders and shaped 9430 dynamic Engineers and Technocrats since its inception. SREC alumni are spread globally and have occupied premier positions taking their alma mater to glorious heights. Keeping up with this well-established tradition, the college is providing excellent placement consistently.

ABOUT THE DEPARTMENT

Department of Electrical Engineering started functioning from the year 1993. The post graduate program (M.E-Embedded System Technology) was started in 2004. The UG programme has been accredited by the NBA. The focus of the department is to offer quality education in specialized fields like Power Systems, Electrical Machines and Design. The department has adequate infrastructure facilities with well equipped laboratories to cater to the above needs.

ABOUT THE CONFERENCE

The National Conference on Power and Energy Systems aims to provide a platform for students, engineers, researchers and scientists to share their knowledge and ideas and deliberate on exciting research findings globally. The event is expected to provide an opportunity to further enhance the collaborative research on all aspects of electrical engineering.

CALL FOR PAPERS

Authors are invited to submit their original and unpublished research article in the following areas

- Advances in Renewable Energy Systems
- Analysis of Power Quality and Power System Stability
- Analysis, Design, Control and Applications of Electrical Machine Drives
- Applications of Power Electronics in Electric Drives and Power Systems
- Electrical Energy Processing and Storage
- Advanced Power System Protection
- Power System Dynamics and Stability
- HVDC/FACTS
- Power System Automation
- Robustness of systems with various PI like Fuzzy Controller

SUBMISSION FORMAT

A copy of full-length paper to be sent to angels.eee@sriramec.edu.in as per the IEEE format.

REGISTRATION

Academicians/ResearchScholars/
Students/Delegates from industry: Rs.300

The registration fee has to be paid in the form of DD in favour of “**Association of Electrical and Electronics**” payable at Chennai

For NEFT/RTGS/E-Payment

Savings bank account no: 062001000036333

IFScode: CIUB0000062
