

**SRIRAM ENGINEERING
COLLEGE**
DEPARTMENT OF MECHANICAL ENGINEERING
PERUMALPATTU-602 024

REPORT ON GUEST LECTURE

Date: 28/12/18

Venue: Mini Auditorium

Time: 10.30AM To 12.30PM

Attended by: II and III Year students

Guest Name: Dr.V.Jayakumar

Professor
School of Mechanical Engineering
Saveetha University
Chennai

Topic: "Design of Transmission Systems"

The Guest Lectures was conducted in Mechanical Engineering Department of Sriram Engineering College on **28.12.2018**. The program started at 10.30 A.M with inauguration. Basics concepts of Design, Various Types of Transmission system Elements and their Applications, The concept of multi-speed Gearbox design were discussed. The target audience for the session was II and III year Mechanical Engineering students. As per the feedback received from the participants, it was a very good learning experience; the lecture helped them in their understanding of the Concept of Design of Transmission Systems.
