

SRIRAM ENGINEERING COLLEGE, PERUMALPATTU

DEPARTMENT OF ENGLISH

REPORT ON GUEST LECTURE

The department of English organised a Guest Lecture “Writing Skills” on 12.10.2019 at the mini auditorium between 1.30 to 3.30 p.m. The resource person, Ms. Catherine Thomas from Columbia University, New York, briefed on the guidelines for effective writing. She explained the six-steps in the process of writing such as planning, gathering information, organizing, drafting, editing and proofreading. She described in detail about the use of Paramedic method (cut words) and the HATS as the tools for effective writing. The importance of the assessment was discussed and the session came to an end with the resources and information for further details.

Dr. V. Shalini, HoD, English welcomed the gathering. The Principal, Sriram Engineering College shared his ideas on the importance and usage of English Language and the session ended with a note of thanks.
