

ISO QUALITY POLICY

QM 5.1 QUALITY POLICY

The Management determined the Quality policy of SREC by discussing with all the staff through the HOD's and it reflects the commitment of SREC to deliver quality education and meet the expectations of the students. Statement of quality policy approved by the Management is displayed at all the prominent locations in the college.

The quality policy of SREC is:

Sriram is committed to providing excellent academic atmosphere for its students to develop their personalities, skill sets and knowledge required for an exciting career. We shall strive continually to progressively develop, seeking broad avenues of learning to face the challenging and emerging needs of our society. Sriram will be a 'torch-bearer' for knowledge and wisdom.

SREC is committed to

- Emphasize on academic activities and personality development through curricular / co-curricular / extracurricular activities.
- Provide the state-of-the art resources to achieve Quality education in all spheres of academic activities
- Involve everyone to bring about higher performance level through team effort
- Inculcate discipline and provide conducive environment to students to achieve their goals.
- Excel through commitment and continuous improvement to realize our Quality objectives

This is achieved by

- Providing excellent infrastructure facilities
- Providing excellent teaching and research environment
- Networking with leading business, industry and research organizations.
- Empowering the youth through technical and management education and providing professional leadership
- Interacting with society through extension services, community development Programme and entrepreneurship development programmers.

The quality policy is communicated to all the staff and its significance is understood by all. They are committed to achieving the quality in all the activities of SREC. The quality policy is reviewed every year to ensure its validity with the changing and growing needs.
