An Online Webinar was organized on 3rd July 2020, by the Department of Mechanical Engineering in the topic of “**Believe in Yourself**” for creating motivation to students becoming a successful Engineer. **Mr. K. BALAMURALI** a New age Facilitator, through his training illuminates human capital by enhancing intellectual capabilities. He is specialized in designing and delivering Sensitization modules to replace One Dimensional Thinking with Six Dimensional Thinking, He did his graduation in M.A (Public Administration) And NLP (Neuro Linguistic Programming) Master Practitioner Course Approved by IIPE (International Institute of Professional Excellence, Canada).

Introduction of the College and Department delivered by **Mr. D. B. Naga Muruga**, Third year student Department of Mechanical Engineering.

The Welcome address delivered by **Dr.D.Jayabalakrishnan**, Associate Professor and Head of the Department, Mechanical Engineering, and the session started with his introduction.

Later in queries section, **Mr. N. Balamurali** answered and cleared participant's doubts. Nearly 60 students participated and acquired knowledge from this webinar.

Mr. N. Balamurali explained about the activation of Left and Right Brain activities. He also taught few exercises for activating our Right Brain. He pointed out that, right Brain is responsible for higher creativity and also helps to take calculated risks. And Left Brain always alerts us to have a safe play and good at Math and Science.

He has also explained about handling of Fear, Anger, Worries and Emotions. He penetrated the minds of students with his wonderful session which helped young minds to carry many take always. Finally, the Webinar ends up with Vote of thanks proposed by our Department student Mr. **R. Samuel Sundar**.
