

SRIRAM ENGINEERING COLLEGE

NDLI Club of Sriram Engineering College

Webinar on "Awareness and opportunities around cyber security"

DATE: 28.12.2021 TIME: 01.00 p.m.

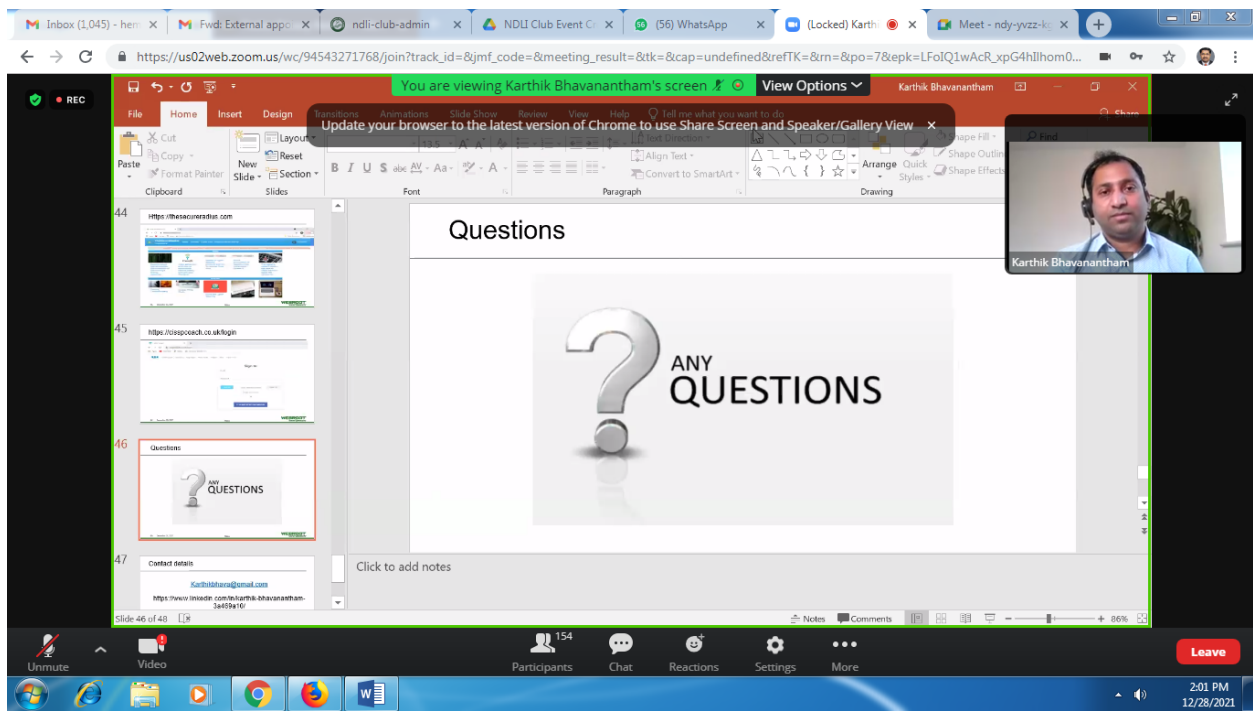

NDLI Club of sriram Engineering College organized a Webinar on "Awareness and opportunities around cyber security" online mode. Mr. Karthik Bhavanantham, Lead Business Analyst/Product Owner, Pay.uk, London, U.K. delivered this webinar.

The program was started with Dr.D.Hemanand, Asso. Prof./CSE welcoming the participants. He introduced the Guest speaker of the webinar to the staff and students. The guest speaker took over the session and presented the webinar on Awareness and opportunities around cyber security. He gave an explanation about various kinds of threats, cyber criminals and also various domains in cyber security. He also added on various tips on certifications in this field and also discussed numerous opportunities available for the cyber security professionals.

The session came to an end by 02.00 pm. More than 200 participants attended this webinar and staff members of all the departments also were present at the webinar. The whole session was a very interesting and a knowledgeable session. The organisers thanked the **Principal for providing immense support to make the webinar successful and the Heads and faculties of all the departments for the follow up and support provided to make the webinar a grand success..**
