## About the college

Sriram Engineering College (SREC) is a leading institution in Tamil Nadu. It was established in 1993 at Perumalpattu Village, near Veppampattu Railway station, Tiruvallur district under Sriram Educational Trust (SRET). The constituent institutions of Sriram Educational Trust are Sriram Engineering College, Sriram Polytechnic College, Sriram College of Arts & Science, Sriram Vidya Mandir Matriculation Higher Secondary School and Sriram Vidya Mandir (CBSE) School.

Sriram Engineering College is offering Seven UG courses and Four PG courses & has grown from strength to strength with all resources, infrastructure and facilities in imparting technical education especially to the oppressed people in rural areas.

The college has produced 8 University Gold Medalists and 82 University Rank Holders and shaped 9430 dynamic Engineers and Technocrats since its inception. Our Alumni are spread globally and have occupied premier positions taking their Alma mater to glorious heights. Keeping up with this well-established tradition, the college is providing excellent placement consistently.

The college is affiliated to Anna University, Chennai and approved by AICTE, New Delhi. The college is ISO 9001:2015 certified.

## UG Courses

- ☐ Automobile Engineering
- ☐ Chemical Engineering
- ☐ Civil Engineering
- ☐ Computer Science and Engineering
- ☐ Electronics and Communication Engineering
- ☐ Electrical and Electronics Engineering
- ☐ Mechanical Engineering

## PG Courses

- ☐ Applied Electronics
- ☐ Computer Science and Engineering
- ☐ Embedded Systems Technology
- ☐ Manufacturing Engineering

## About the department

The department of Automobile, Engineering was started with an approved intake of 60 students and the objective of department is to produce high caliber technocrats and eminent Automobile Engineers. The department has adequate Infrastructure facility with well-equipped laboratories to carry out research activities. The department offers quality teaching by qualified and experienced faculty members with experience in research and industries in respective fields of engineering. The faculty members are recognized as Supervisors for guiding PhD scholars of Anna University. Special emphasis on individual student care is being provided by way of motivating them to publish articles in journals, conferences etc.

## About the conference

The National Conference on “Developments In Automobile and Mechanical Engineering -2018” (DAME-2018) is an attempt to bring together researchers from academic and industries in order to address recent developments in Automobile and Mechanical Engineering applications.

The conference will enable all the participants to share and gain knowledge and skill in their research area and receive right directions from experts. The conference paves way for researchers to present recent research results and new research problems. The conference seeks contribution in all aspects of advanced technologies in Automobile and Mechanical engineering. The conference will host parallel sessions and keynote address by experts.
